Who Is CEXEC

CEXEC is known for the quality of its work, the success it brings its clients and the integrity of its business practices. This success stems from the strength of CEXEC employees and a commitment to provide the highest quality services at a fair price.

CEXEC provides expert guidance and the application of innovative technologies to help our clients plan, implement and manage their most critical programs. These services range from investment analysis, procurement planning, and earned value management to systems architecture and engineering. This professional service portfolio requires individuals with diverse backgrounds of complementary skills, talents, and experience to aid organizations in navigating today's challenging business environment.

CEXEC helps the government get work done!

FAA eFAST

CEXEC, is an organization that makes a commitment to delivering solutions that work and is proud to be a Prime eFAST Contract holder assisting the FAA in its operational support needs for 2010 and beyond. The eFAST contract is a Master Ordering Agreement (MOA) available for use by the FAA and on a limited basis, by all federal government agencies. This eFast MOA functions as a Blanket Purchasing Agreement and provides for a broad range of comprehensive professional and support services.

Partnering Information

Finding a dependable business partner is a challenge. You need an organization that makes a commitment to delivering solutions that work, a company that measures its performance by your success. You need a business partner that is more than just another name on a piece of paper, someone who can actually hold up their end of the deal, a company with resources, past performance and a commitment to getting the job done right.

CEXEC is that company. With over 30 years of experience, zero debt, and a staff that can actually complement your proposal efforts, CEXEC is the partner of choice for many of the largest federal contractors.

If you are looking for a business partner that brings more than just a name or a size standard, CEXEC, is the small business partner you need.

Contact CEXEC today to see how we can complement your next project
